## THE WORKINGMEN'S UNION.

A Move in the Right Direction. In response to a call in de in our last issue, a goodly number of mechanics assembled at minister, Mr John M. Dickson, of Dickson the Court-house on Saturday night last, for county, to Miss Matrix E. Batson, of this the purpose of taking into consideration the propriety of organizing a Workingmen's Union. Unfortunately a m'sunderstanding occurred at an early stag of the proceedings, which resulted in the withdrawal of a large number from the room. In this connection we call attention to the card of the Corresponding Secretary, which ought to be satisfactory to all concerned.

Mr. S. D. Power was called to the chair, and explained the object of the meeting in a few pointed and pertinent remarks.

After some discussions in which all wh were so disposed took part, an election for permanent officers was held, with the following result :

H. R. BURNLEY, SR., Vice-President.
